We Made It! We Will See You in 2023!!

**Thank you to all
Community members that
have helped and donated
your time for all our
events. We can not truly
do our work successfully
without you.**

**Thank you to all
the sponsors this
year that have
made these
events possible.**

**Thank you to those
community members
that contributed
monetarily and via
food/ snacks.**

**To you community members that
have come out for the events that
I have put on-
Thank you to you!!!
I would have a very boring job if
you didn't ask for these events
and asked more from us.**

**And Last but not least to my twin sister and brother-in-Law- when I have had no clue on what
to do: you have shown up every time I have asked and to every event.
I could not be more thankful for moving here and finding my support system. I love you all!!!**
